

Datasheet

CDV-IP1B - IP Video Entry Kit with 1-Button Door Station

Product Description

The 2EASY brand from CDVI now offers an IP system and a single button video entry kit, including an IP monitor ([CDV-470IP](#)), a door station ([CDV-91IP](#)), and PoE switch ([POE-4P](#)).

The IP system facilitates connection through PoE, making the 2EASY IP range seamless and easy to use. The CDV-IP1B kit allows up to 2 door stations and 2 monitors with the included switch. However, the IP system is able to expand to 32 door stations and monitors for a single house with a higher capacity switch.

In addition, the free mobile app allows users to control access from their phone by receiving calls (when connected to an internet router).
