PREMIUM  
QUALITY

# BT7001

## BACK-TO-BACK PORTRAIT DIGITAL SIGNAGE KIOSK

The BT7001 is a display kiosk designed to portrait mount two digital signage screens in a back-to-back configuration. A rigid chassis is fixed to a heavy duty steel base which can be used freestanding or bolted to the floor and is finished stylishly with satin black or white outer covers. The internal mounting system is made up of parts from our System X range, allowing micro-adjustment to ensure the mounted screens sit perfectly level and flush with the front and rear opening of the kiosk, which is laser cut to match your screen size.

### SPECIFICATION
